

Woodcroft Primary School/ Newsletter

Friday 15th January

Dear Parents/Carers

Thank you for your messages of support this week and understanding during a very challenging time - the teachers and staff very much appreciate this.

At the moment, the message from the government is very clear and if your children can be at home then they must be. Thank you to those parents that have reviewed their situation in line with the current guidance.

As you can appreciate, staff in school are very anxious about contracting Covid and 'taking it home' to their families. It is important that we are doing everything as a school community to minimise the risk of transmitting the virus. If your child is currently attending school, it is extremely important that you are following the current guidance carefully and minimising your contact with others.

Teams Chat function

We are very pleased that the children are using the chat function to communicate with teachers and classmates. These are monitored by teachers and where they are not being used appropriately, we are addressing this. Please do talk to your children about how they are using this function and what is acceptable.

Year 3

Unfortunately, Mr Osborne is currently signed off (non Covid related reasons) and we are hoping he will be able to return to school in the next few weeks. In the meantime, Mrs Wilkinson is teaching Year 3 on a Monday and Mrs Tyler on a Tuesday to Friday. Both are very experienced teachers, who the children know well.

Laptops

We are still waiting for our laptops to arrive from the Department for Education. As soon as we have them we will contact you.

Yours sincerely ,

Mr Fanning

Covid 19

Even though we are only open to some pupils at the moment it is extremely important that you keep us up to date with any symptoms, self-isolation dates & any test results in your household or support bubble. Please call the office or email staff@woodcroft.hants.sch.uk to keep us informed. Thank you.

Star of the week!

Learning for a lifetime

Adults mental health and wellbeing guide.

Please click on the link below to access a new mental health and wellbeing guide for Parents & Carers.

It provides information and links for anyone aged 18+ in Hampshire to find the right help and support if you or anyone around you are struggling.

Telephone Support Line

Open to education staff and parents/carers

Tuesdays, Wednesdays and Thursdays: 9.30am - 11.00am

Hampshire and Isle of Wight Educational Psychology (HIEP) are continuing to run a Telephone Support Line to help education staff and parents/carers during the current COVID-19 pandemic. The support line will be:

- confidential
- provided by educational psychologists
- for parents and carers of children and young people
- for staff in all settings
- for any queries related to the emotional wellbeing of children/young people and their families

What to expect

When you call, a member of our friendly support team will take your details and then ask an educational psychologist to call you back.

Our psychologists are there to listen and to support with the issues that might be concerning you regarding the emotional wellbeing of a child or young person. Some people call us knowing what issues they need help with, whilst other people find it helpful to just talk through what is happening for a child or young person.

How to contact us -

Please phone the number for your local area

Isle of Wight - 02392 441497

North (Basingstoke & North Test Valley) - 01252 814835

South (Fareham, Gosport & Havant) - 02392 441497

East (East Hants, Hart & Rushmoor) - 01252 814729

West (Winchester, Eastleigh, New Forest & South Test Valley) - 01962 876239

Free resources

HIEP have put together a collection of resources which are available to support our communities in managing worries and anxieties. Further information is available by phone and on our website.
